

### **Counseling for facilitating Export**

A handholding support to prospective exporters and present exporters, who would like to spread their wings in newer overseas market, is the need of the hour. Therefore, it was felt that a cell for providing **Counseling for Facilitating Export** should be created at MSME DI, Chennai. The cell will function for two days in a week.

This import / export process completion is subjected to compliance of import / export norms of various government agency and approval from the buyer / seller.

### **Counseling for facilitating Credit**

Timely availability of credit is a major perennial problem for both prospective as well as existing entrepreneurs due to wide communication gap between the borrower and the banks. To address this critical problem confronting the industrial fraternity, it is felt that a handholding support is necessary for credit issues.
